As specified in its bylaws, the Montevallo Historical Society is governed by a 12 member board of directors. When necessary, nominations to fill vacancies on the board are made by the board's nominating committee from our list of active members. It would be most helpful for us to know in advance whether or not you would be willing to serve as a director should you be nominated in the future. If you would agree to serve if elected, please check the box at left. Thank you.
